It's easy to pay your pledge!

Sunday Offering

The Worship offering is the most traditional method of making a gift to God's work at Christ Church. Checks can be put in the plate, and you'll receive a quarterly statement. Offering envelopes are available if you prefer.

Mail to Office

Checks can be mailed directly to the church office on a weekly, monthly, or annual basis. Some folks have their bank or charitable giving account send us checks directly.

Stock Transfer

Gifts of stock may be made to Christ Church, which potentially has some tax benefits for the donor. For more information, contact Kelly Scudder at 586-1226.
