

Children and families are an important part of the life of Christ Church. We offer Sunday School classes during the 10 am service for children from age three through grade 12.

Classes are grouped by grade and use a variety of age-appropriate lessons to explore lessons in the Bible and foster a sense of wonder and inquiry about God and faith. Middle and high school classes move toward a discussion-based format to bridge the transition from childhood to early adulthood and help youth learn to relate their faith to their lives.

All children pre-K and up join the congregation for Holy Communion each week. During most Sundays, our Pre-K through 8th grade students gather for music after Holy Communion and sing periodically during the 10 am service. Sunday School children can also participate in the annual Christmas Pageant.

On holiday weekends and during the summer, we offer children's workshops in lieu of Sunday School classes. The workshops are a "one-room schoolhouse" for children from Pre-K through 5th grade, with middle and high school youth serving as assistants.

More than 40 dedicated volunteers guide our children throughout the school year. New adults and older youth are always welcome to join the volunteer team. A background in theology or education is not needed; we provide volunteers with lessons and support.

Vacation Bible School

Christ Church is pleased to announce that Vacation Bible School will return once again from August 17 - 21, 2020. We welcome our parish and community friends to join us for a week of fun and adventure as we explore Bible stories. Stay tuned for more information about this year's program!
